

Lenovo Sustainability Solutions

# Minimize waste and Maximize circularity with **Asset Recovery.**

Reuse, Refurbish, Recycle - a sustainable way  
to manage your end-of-life IT assets

Smarter  
technology  
for all

Lenovo

# Minimize the environmental impact of your end-of-life IT assets

**Return any device from any brand.**  
We'll take back anything, saving you time and resources to manage end-of-life assets.

**Safeguard your data** with NIST SP 800-88 compliant data sanitization and disk destruction.

**Single point of contact** - Our ARS specialists will manage the process end-to-end, ensuring full peace of mind.

**Recover potential value** from your idle IT assets and use it to fund your next technology refresh.

**Recycle IT** in an environmentally conscious way, reuse parts, and refurbish devices to keep resources circulating.

**Track progress** and download data sanitization confirmation, recycle/refurbish reports, through an easy-to-use online portal.

## Flexible options to meet your needs

### Standard Asset Recovery Services

- Pickup and securely transport devices from your location
- Process after collection, then test and prepare equipment for resale
- Recycling to ensure proper disposal for obsolete equipment
- NIST SP 800-88 compliant data sanitization and disk destruction
- Lenovo as your single point of contact for detailed reporting
- Return value to the customer for re-marketable assets

### Additional on-request Services

- Remote or on-site discovery to provide Fair Market Value for current inventory
- Dismantle and move assets to on-site pickup area
- Quarantine hold of assets to ensure data migration
- On-site data destruction

### Other options

- Refurbishment and remarketing
- Recycling of components
- Donation to the organization of your choice

**89% of organizations recycle less than 10% of their IT hardware<sup>1</sup>.**

**Make the move to circularity with Lenovo.**
